STATE OF MAINE
State Department of Audit

Augusta, Maine

March 5, 1946

Board of Selectmen
Winslow,
Maine
Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944 and at your request, the records of the Town of Winslow have been audited by Auditor C. G. Hawes for the period February 11, 1945 to February 9, 1946 inclusive.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the town appear to have been appropriately handled.

Exhibits and schedules incorporated in this report impartially present the financial position of the town and the result of its operations for the period designated. A recommendation has been made which, we believe, is worthy of your consideration.

Comments and other data incorporated in this report may prove of interest to you. All of which is respectfully submitted,

Very truly yours,

FRED M. BERRY

State Auditor

Comments

Re: Audit of the Town of Winslow
February 11, 1945 to February 9, 1946

CASH

Cash on deposit amounting to \$3,975.90 and subject to check as of February 9, 1946 was verified with the bank statement and found in agreement.

ACCOUNTS RECEIVABLE

Accounts Receivable, amounting to \$138.19, are all 1945-46 accounts, with the exception of \$50.00 which is a 1944-45 account. It is recommended that this \$50.00 account be collected or written off during the coming year.

TAXES RECEIVABLE

The tax commitment was compared with the records of the Assessors. This commitment was accounted for either by cash paid the Treasurer, abatements, \$6.60 due from the Collector, or unpaid taxes as reflected on the records of the Collector.

Unpaid prior year's taxes amount to \$35.70.

TAX LIENS AND DEEDS

At the close of the year, the balance of tax liens and deeds outstanding amounted to \$1,033.29. The detailed lists are in agreement with the control accounts.

NOTES PAYABLE

Notes payable amounting to \$10,000 are outstanding at the close of the municipal year.

BONDS PAYABLE

Mile Brook Bridge bonds in the amount of \$5,000 were paid during the year from the appropriation made at town meeting.

DEFERRED REVENUE

This account represents prepaid excise taxes in the amount of \$1,132.14, and prepaid 1946 taxes in the sum of \$114.08.

NET DEFICIT

At the close of the municipal year, there was a net deficit of \$15,236.70, as compared with \$21,346.86 shown the previous year, or a beneficial change of \$6,110.16.

TRUST FUNDS

The savings pass books covering the cemetery trust funds held by the town were examined. The income has been properly withdrawn and expended.

GENERAL

1945 excise tax receipts Nos. 392 to 400; 442 to 450, and 455 to 1,067 were checked and the collection amounting to \$1,415.40 had been deposited with the Treasurer.

1946 excise tax receipts Nos. 1 to 423, amounting to \$1,132.14, were also checked and the amounts specified had been deposited.

The records of the town officials were found to be in satisfactory condition.

Report of Town Auditor

Winslow, Maine
February 24, 1946

To the Citizens of Winslow, Maine

I have carefully examined all bills paid and checked the same with the warrants drawn by the Selectmen.

I have also made examination of the Treasurer's account, finding a balance amounting to \$3,975.90 on deposit at the Federal Trust Company, Waterville.

Respectfully submitted,

CARL G. HAWES

Town Auditor

IMPORTANT NOTICE TO PARENTS: Please look over the list of births that have been recorded during the past year. If your child was born in some other town, and the child's name does not appear in this Report, notify your Town Clerk so that a copy of the birth may be obtained and entered in the proper place. REMEMBER: It is with your cooperation that will help us to make our records complete.

Respectfully submitted,

CHARLOTTE M. DUNBAR

Town Clerk

Report of Chairman of Selectmen

February 10, 1946

To the Citizens of the Town of Winslow:

I herewith submit my annual report for 1945 as Chairman of the Board of Selectmen.

The town's bonded indebtedness is now \$15,000.00, that being on Mile Brook Bridge.

Our Tax Collector, Mr. E. W. Blackwell, collected 99.8% of his commitment.

Mr. Alfred P. Marcoux has done his usual good work as Overseer of the Poor.

Mr. James Poulin took over the roads and snow removal as Road Commissioner, after the resignation of Mr. Joseph E. Pelotte, and did a commendable job.

The Administration Account is \$23.27 overdrawn. This account has had a refund on bank stock tax that was a help in keeping above figures down.

In closing, I wish to express my thanks for the fine cooperation given me by the citizens of the Town. It has been a pleasure to serve you.

Respectfully submitted,

AMOS D. ST. AMAND

First Selectman

Report of Overseer of Poor

To the Citizens of Winslow, Maine

Submitting my annual report of the Poor Department of the Town of Winslow for the fiscal year ending February 10, 1946.

This department, as in the past ten years, registers another decrease in its operations for the fiscal year. The total cost of the department for the year was \$2,882.70.

The amount appropriated for the year was \$6,500.00. During the year, this department received credits to the amount of \$184.09. At the end of the year, there was an unexpended balance of \$3,801.39, with no outstanding bills.

The end of the fiscal year finds this department still paying for the support of six State Children over which it has no control. These children this year cost \$1,010.07.

As in the past years, I am grateful for the fine cooperation of our clerk also for the good cooperation of our Town Physician, Dr. E. W. Paine.

Respectfully submitted,,

ALFRED P. MARCOUX

SCHOOL CALENDAR

September 9 to December 20, 1946
December 30 to February 14, 1947
February 24 to April 11, 1947
April 21 to June 13, 1947

Mr. Lord's report shows the salaries of teachers, janitors, and conveyance. The salaries as listed were paid for only part of 1945, and paying these amounts for all of 1946 will amount to over \$56,000.

During the year new Celotex ceilings have been added to the corridor and some of the rooms and this improvement

is very noticeable especially in the corridor and the room used for the band and orchestra. The cost of the ceilings has been for the material only because Norman Marcia did the work and has not received extra pay.

February 10, 1945 there was an unexpended balance of \$528.38. February 10, 1946 there was an overdraft of \$578.51.

The cost of all supplies have increased and to maintain the present standard of our school it is necessary to recommend to be raised the amounts listed.

The Funds Available and the Total expended for the Year 1945:

	Available	Expenditures
High School Teaching	\$ 16,665.65	\$ 16,604.10
Physical Education	4,296.27	4,067.78
Industrial	4,913.17	5,231.69
Common Schools	28,754.00	28,876.51
High School Special	5,102.25	6,038.33
High School Conveyance	2,444.94	2,446.50
Night School	172.27	
Text Books and Supplies ...	2,522.33	2,755.70
Repairs	2,042.20	2,073.66
School Nurse	782.01	688.85
Superintendence	1,104.13	1,108.31
Insurance	513.70	
	<hr/>	<hr/>
	\$ 69,312.92	\$ 69,891.43

We recommend the following be raised for the support of Schools for 1946:

High School Teaching	\$ 15,000.00
Physical Education	3,500.00
Industrial	4,800.00
Common Schools	25,000.00
High School Special	6,000.00
High School Conveyance	2,500.00

Text Books and Supplies	3,000.00	
Repairs	2,500.00	
School Nurse	500.00	
Superintendence	1,200.00	
	<hr/>	
		\$ 64,000.00

Respectfully submitted,

P. M. CRAM

AIME MATHIEU

WILLIAM DOSTIE

Superintending School Committee

Report of Superintendent of Schools

To the School Committee and Citizens of Winslow:

In order to retain the teachers we have and to fill vacancies properly, it has been necessary to pay increased salaries this year. It was also found necessary at the opening of the school year to employ an additional part-time teacher in the high school. These facts, together with the greater cost of all school materials, have contributed toward the overdraft in the school accounts and have made it necessary to materially increase the school budget this year. You will note in the latter part of this report that we are still paying our teachers comparatively low salaries. The increase in the school budget undoubtedly seems large, but if one considers that the average school tax rate throughout the state is 18 mills, and that the school tax rate in Winslow is less than 11 mills, it shows that school costs in this town are not high.

Several changes of teachers have taken place since my last report. Amy Thompson accepted a position in Waterville, and Marguerite Morang, a graduate of Sargent College, was employed to take her place. Mrs. Viola Woodward moved away and her place will be taken by Patrick Martin, a former teacher here. Pauline Chamberlin found it necessary to give up teaching, so we employed John Casavola to fill this vacancy. Harriet Ham accepted a position at Old Orchard Beach, and Elizabeth Burleigh is taking her place here. In the music department we were again able to obtain the services of John Davidson, who left here previously to work in Portland. Shirley Wing is now office clerk, filling the vacancy caused by the resignation of Leonette Mathieu. The only vacancy in the elementary schools was caused by the resignation of Frances

Robarge. Her position is now filled by Adelaide Files, formerly a teacher in this town.

The annual rates of salaries of teachers are:

High School—Edgar McKay, \$2850; Perley Hanscom, \$2250; Paul Nutter, \$2250; Norman Tremblay, \$2150; Patrick Martin, \$2150; John Davidson, \$2000; John Casavola, \$2000; Marguerite Morang, \$1750; Evelyn Grindall, \$1650; Leona LePage, \$1650; Francesca Perazzi, \$1650; Elizabeth Burleigh \$1650; Ardis Jacoby \$1650; Shirley Wing, \$1000; Janet Hill, \$900 (part time).

Boston Avenue School—Alice Dyer, \$1500; Thelma Lasalle, \$1300; Nellura Chaney, \$1300; Ethel Sanderson, \$1300; Doris Young, \$1300; Marietta Lowe, \$1300.

Halifax Street School: Wilhelmina Allen, \$1500; Imogene Lord, \$1300; Mildred Marcia, \$1300; Helen Gleason, \$1300; Lucille Matheson, \$1300; Adelaide Files, \$1300.

Salaries of conveyance drivers are: Elwyn McCaslin, \$1591; Bertelle Martin, \$1369; Howard Simpson, \$1258; Oscar Reny, \$1258; Joseph LaChance, \$1184; Arthur Ward, \$1184; Walter Overlock, \$629.

Salaries of Janitors are: Norman Marcia, \$1600; Odilon Boutin, \$1200; William Rhoades, \$1200.

The number of pupils in the various schools is: High, 289; Boston Avenue, 214; Halifax Street, 197; a total of 700.

My sincere thanks is extended to teachers and other school workers, school committee, and citizens for the interest and cooperation shown during the past year.

Respectfully submitted,

CARL B. LORD

Report of High School Principal

To the Superintendent of Schools and the Citizens of Winslow I submit my fifth annual report.

The "back to school" movement continues all over the country and our high school is no exception. In September our peak registration was 289, an increase of twenty-six over last year, and divided as follows: Seniors, 43; Juniors, 60; Sophomores, 54; Freshmen, 70; Eighth Grade, 62.

A number of changes have taken place in our teaching personnel during the year. We are glad, indeed, to have with us again Mr. John Davidson as music director. Under his able leadership the band and orchestra are being built up again, and Winslow people will soon have reason to be proud of the high school musical groups. We regret losing the services of Miss Thompson, girls' physical director, who left to accept a position in the Waterville schools. Her place has been taken by Miss Marguerite Morang. Miss Morang is a graduate of the Sargent School of Physical Education in Boston and served with the Marine Corps during the war. Mrs. Pauline Chamberlin left at Christmas vacation, and was succeeded by Mr. John Casavola of Portland. Mr. Casavola is a graduate of Michigan State College, has had two years of successful coaching and teaching experience at Mt. Morris, Michigan, and was in the Marine Corps for four years. He is teaching mathematics, coaching Junior High basketball and will coach the track team this spring. Miss Ham left for a better paying position at Old Orchard and the Home Economics Department is now under the supervision of Miss Elizabeth Burleigh, who received her training at Nasson College. Another of our former teachers we are happy to have with us for the remainder of the year is Mr. Patrick Martin,

who taught French and coached our speaking and dramatics. During the war Mr. Martin served in the Air Corp in India, with the rank of Captain. Mrs. Viola Kimball, who took Mr. Martin's place for the past four years, became Mrs. Gordon Woodward and moved to Brewer after Christmas. Mrs. Woodward's work in her classes and her coaching in dramatics and speaking showed a high degree of competence and brought Winslow High School much favorable attention.

Although the extra-curricular program has been slowed down some this winter by a shifting of our teaching force, we have a full schedule of activities for the remainder of the year. Play contests, speaking, musical affairs, the publication of the "Periscope," play days for the girls' athletic groups, baseball, and track will offer a wide variety of meaningful experience for most of our students.

During the war much emphasis was put on preparing students for jobs or for the armed forces. Now that peace has come again the shift in emphasis is toward educating people to live well together and to become informed, trustworthy, and active citizens in a democratic society.

In closing this report I should like to quote from the October 1945 "The Public and Education." All interested citizens and parents should ponder this seriously.

"What Makes a Good School?—An attractive building and modern equipment and books all help to make a good school. But a community can have everything else that money can buy for a school and it will not have a good school unless it has good teachers. No school is any better than its teachers.

"Perhaps your child has a good teacher—well prepared, constantly learning more about teaching, a wholesome personality. . . a teacher who is supplied with excellent books and motion picture and radio equipment . . a teacher whose classes are small enough so that each pupil can be treated as an individual . . a teacher who is paid a sal-

ary which makes it possible to live comfortable, to continue to study, to travel, and to do other things which enrich personality. If so, you are a fortunate parent."

Respectfully submitted,

EDGAR B. McKAY,

Principal

Report of Town Nurse

WINSLOW - 1945

In March of 1945 the Town of Winslow passed what is known as the Enabling Act. In this instance the sum of money raised by the town is matched by state funds. Thus was created provision for a one nurse service. This service has been in effect since July of that year.

The program carried comprises all phases of Public Health Nursing, namely, prenatal and postnatal care; infant, preschool, school, and adult supervision; communicable disease follow-up; services to crippled children; and services to the tuberculous and venereal disease case.

In comparison with the town report for 1944, an increase in all activities has been noted in compiling statistics for the present report. The attendance at the monthly Child Health Conference has increased to a total of 316 visits as against 242 the previous year. This fact is very gratifying as stress is continuously being placed upon periodic physical examination and immunization of the infant and preschool child. Of those attending the Conference 31 have been vaccinated against small pox, 85 have completed immunization against diphtheria and 62 against whooping cough. This compares favorably with last year's figures of 47 and 54 respectively.

During the year 157 infants and 109 preschools have been visited in their homes.

The following projects were held in the schools during the first third of the 1945 school year:

The hearing of the pupils from the fourth grade

up was again checked with the audiometer. Including the original tests and retests, those not reaching a certain standard, 610 pupils were examined. Thirteen defects were found. Home visits are at present being made by the nurse to discuss this matter with the parents.

An immunization program was again offered. Seventy-eight students were vaccinated against small pox and seventy-three completed the inoculations against diphtheria.

Following the discovery of diphtheria in Waterville a second emergency immunization clinic was held at the request of Dr. E. W. Paine, local Health Officer, who served as administrator of 694 inoculations against diphtheria. For some, reinforcing doses were given but for many others this was the first dose of toxoid. In order to complete the immunization, a clinic will again be held in January for the latter group.

Positive reactors to the 1944 tuberculin testing program were transported to the Central Maine Sanatorium for the yearly check-up X-ray. They were accompanied by a member of the Health Council.

Through various facilities several school children have had emergency dental work done and such corrective procedures as removal of tonsils and adenoids and the procurement of glasses.

Since July a total of 80 visits have been made to the homes of school children.

During the remainder of the school year another group program to be offered will be the tuberculin testing of all those pupils whose parents give consent. All positive reactors will have a follow-up chest X-ray.

It is hoped that in the not too distant future some program may be worked out whereby physical examinations will be a part of the school health program.

Your Public Health Nurse wishes to sincerely thank those members of the Health Council who have worked so untiringly and without whose support this program would not have been possible.

Respectfully submitted,

Marjorie L.Christian

ATTEST:

A. M. HERD

Auditor

Report of Librarian

To the Citizens of the Town of Winslow:

The circulation for the year, February 10, 1945 to February 10, 1946 was 6,788. Of these 3407 were fiction, 1634 non-fiction and 1747 Juvenile.

293 new books have been added to the shelves. Of these the greater number are fiction—202, with 46 juveniles and 45 non-fiction.

The adult magazine table offers a large and varied collection of periodicals ranging from story magazines, news, digests, household hints, gardening, farming, geography, entertainment, movies, hygiene, and raising a family to science and mechanics. New magazines recently added are: Parents, Recreation, Red Book, Time and Cosmopolitan.

The children's table includes Wee Wisdom, Jack and Jill, Children's Playmate, Animals, American Girl, Boy's Life, Open Road for Boys, Calling all Girls and Seventeen.

All magazines with the exception of the latest number may be borrowed for the same length of time as books—2 weeks. The current issues may be had for 3 days in order to give more people the opportunity of reading them.

We still have a small shelf of books in our "Lending Library" which includes late light fiction; romance, mystery and western. For these there is a charge of 5 cents per week. These books are purchased with money raised from other nickel books. Many other libraries have tried this plan and found it satisfactory. Many patrons who read

extensively are glad to have a few more late fiction available for a small fee.

The library is trying to build up its collection of Maine books, both fiction and non-fiction. Thus far there is a good display of books about our state, its past and present. The case of Maine books contains approximately 150 old and new. If patrons can suggest any late books on the Pine Tree state either fiction or non-fiction which we may add to our growing collection it would be appreciated.

Due to war time conditions new books have been slow in arriving but of late the situation has improved considerably and there is a good selection of the late books from which to choose.

We were all grieved to lose a respected and well liked member of our board of trustees in the passing of Mrs. Samuel Clark, Sr., who served on the book committee for 17 years. Her daughter-in-law, Mrs. Ruth Clark has consented to take her place on the board and book committee and we welcome her.

The trustees are sorry to lose Mr. Alex Herd who has been a member and auditor for 12 years. Mr. Herd is resigning this year and Mr. Alex. Baird has consented to fill the vacancy.

Last but not least all the friends of the library miss the helpful and pleasing personality of our former librarian, Mrs. Helen Shores. Mrs. Shores served as librarian for 13 years, having been appointed in 1933 to fill the vacancy left by Miss Jennie Howard who had served since the establishment of the library in 1905. Opportunity Farm at New Gloucester, Maine, is fortunate in securing Mrs. Shores as Matron and we all wish her the very best of success.

We try to make the library a friendly place, where all may feel free to come, visit a while and select reading material for pleasure and profit. The library hours are from

1:30 to 5:30 and from 7 to 9 on Wednesdays—9 to 12:30,
1:30 to 5:30 and 7 to 9 on Saturday.

Respectfully submitted,

GENE H. RUSSELL,

Librarian

Report of Chief of Police

Winslow, Maine, February 10, 1946

To the Citizens of the Town and the Board of Selectmen:

I herewith submit my report for the year ending February 10, 1946.

Placed on Probation	6

In closing, I again wish to thank the Citizens of the Town, The Board of Selectmen, and the members of the Winslow Police Department for their excellent cooperation given me this year.

I also wish to thank the members of the State Police, who have certainly been of great aid to this department.

And again, I wish to thank Chief Alfred Poirier and the Members of the Waterville Police Department, for their excellent aid and cooperation, and wish to state that it has certainly been appreciated by this Département.

Respectfully submitted,

NORMAN E. MARCIA

Chief of Police

Report of Fire Department

February 10, 1946

I have the pleasure of submitting my twenty-fourth annual report of the Winslow Fire Department for the year ending February 10, 1946. During the year, the department responded to one hundred five calls, fourteen regular box alarms, eighty-seven telephone calls, and four false alarms. The one hundred-five calls were as follows:

	Labor Cost
42 Chimney Fires	\$ 397.60
14 Building and Contents Fires	335.60
28 Brush and Grass Fires	391.50
4 Automobile Fires	59.20
2 Rescuing Cat on Pole	3.20
4 False Alarms	31.80
1 Pumping Well	3.20
1 H. & W. Co. False Alarm	12.00
4 Testing New Buffalo Truck	71.80
1 Testing New Ford Truck	9.60
4 Labor on Hose	16.00

Fire loss reported to insurance commissioner for the year ending February 10, 1946, is as follows:

Estimated Value of Building and Contents ..	\$ 77,414.09
Insurance on Building and Contents	57,764.09
Amount of Insurance paid on Property	7,044.73
Property Loss to Citizens not Insured	7,713.00
Total Fire Loss	\$ 14,757.73

This amount is \$8,588.74 more than last year. We have reduced the number of fire calls from one hundred twenty-four to one hundred five. This is gratifying, but there is

need for a greater reduction along this line, and it is hoped that all citizens of Winslow will bend their efforts to assist in making the year 1946 a much better one in regard to fire prevention than any previous year.

Improvements and changes during the year are as follows:

Converting New Ford Chassis into Fire Truck	
Labor and Materials	\$ 391.96
Labor and Materials for New Buffalo Truck	75.45
Fire Alarm Changes Caused by Storm	150.87
Two New Tires and Tubes for Small Reo	88.60
One Length 15' 3½" D. J. Hose with Coupling ..	45.60
Two Lengths 25' Each 2½" D. J. Fire Hose	19.36
One Length 50' ¾" Hose With Nozzle	12.75
Installed New Fluorescent Lights to Save Power	25.85

I greatly appreciate the cordial cooperation of all members of the Fire Department in their service for the past year. Their response has been quick and faithful. I also wish to thank all those outside of the immediate department for anything they have done to aid in the success of the service and solicit their support for the welfare of the Winslow Fire Department in the year 1946.

Respectfully yours,

WILLIAM P. DiNARDI

Chief

FIRE PROTECTION

Please prevent fires by being careful, most disastrous fires can be traced to carelessness.

Fire extinguishers should be recharged every two years. The fire department is at your service and extinguishers brought to the fire station will be refilled free of charge.

WILLIAM DiNARDI

Chief

Report of Sealer of Weights and Measures

February 10, 1946.

Board of Selectmen, Winslow, Maine
Gentlemen:

I hereby submit my report as Deputy Sealer of Weights and Measures for the year ending 1945.

I have tested and sealed 39 scales. I have tested and sealed 76 Liquid Measures. I have tested 64 Weights. I have tested and sealed 19 Gasoline Pumps and 3 Kerosene Pumps.

Respectfully submitted,

JOSEPH MARCOUX

Deputy Sealer of Weights and Measures

Report of Milk Inspector

Winslow, Maine, February 13, 1946

Board of Selectmen,
Winslow, Maine

Gentlemen:

I wish to submit my annual report as Milk Inspector for the Town of Winslow for the year 1945.

I have inspected all farms and stores selling milk and found them, with few exceptions, to be handling their milk in a sanitary and satisfactory manner.

Thanking the milk handlers for their courtesy and cooperation, I am

Respectfully,

HARDEN T. ERSKINE

Report of Building Inspector

Winslow, Maine, February 14, 1946

Board of Selectmen,
Town of Winslow, Maine

Gentlemen:

I hereby submit my report as Building Inspector of the Town of Winslow for the year 1945.

I have inspected 21 repairs and have issued permits for same.

Respectfully submitted,

JOSEPH A. LAVALLEE

Building Inspector

Report of Plumbing Inspector

Winslow, Maine, February 15, 1946

Board of Selectmen, Winslow, Maine
Gentlemen :

I hereby submit my report as Plumbing Inspector for the year 1945.

The plumbing inspections for the year 1945 have been few, due to the lack of different plumbing materials. It has now become a law to inspect all range boilers for hot water household use. Anyone installing same, should get a permit from the local plumbing inspector.

I have in the past year inspected 20 different jobs, and found them to be free from sewer gas leaks, and all range boilers equipped with safety valves.

Respectfully submitted,

AIME J. MATHIEU

Plumbing Inspector

Report of Electrical Inspector

Winslow, Maine, February 15, 1946

Board of Selectmen, Town of Winslow
Gentlemen:

I hereby submit my report as Electrical Inspector for the year 1945.

There has been fewer buildings in the past year, but I have inspected old and some new wiring to the best of my ability and have endeavored to give prompt service whenever I was called upon.

Respectfully submitted,

ALEXANDER J. LACOMBE

Town Warrant

STATE OF MAINE
KENNEBEC, ss:

To E. W. Blackwell, Constable of the Town of Winslow

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the Inhabitants of the Town of Winslow, qualified to vote in town affairs, to meet at the High School Auditorium in said town on Monday, the 11th of March, A. D. 1946, at nine o'clock E. S. T. in the forenoon then and there to act on the following articles, viz:

ARTICLE 1. To choose a Moderator to preside over said Meeting.

ARTICLE 2. To elect a Town Clerk, three Selectmen who shall also be Assessors and Overseers of the Poor, a Treasurer, a Tax Collector, a Road Commissioner, and Auditor of Accounts, one member of the School Board for three years and Two Trustees of the Public Library for three years and one Trustee for two years, by written secret ballot as directed in Chapter 70 of the Public Laws of Maine for 1921, provisions of which were adopted by this town. For the purpose of Balloting for the officers, the polls will be open at 9:15 A. M., E. S. T., March 11, 1946 and shall remain open until 7:00 P. M., E. S. T., March 11, 1946.

ARTICLE 3. To see what method the inhabitants of the town will adopt to collect taxes for the ensuing year.

ARTICLE 4. To see if the inhabitants of the town will vote to add interest to taxes not paid before a certain date.

ARTICLE 5. To see if the inhabitants of the town will vote to raise a sum of money to pay Administration Expenses. \$16,500

ARTICLE 6. To see if the inhabitants of the town will vote to raise a sum of money to have their employees insured under the Workman's Compensation Act. \$600.

ARTICLE 7. To see if the inhabitants of the town will vote to raise a sum of money for the support of the Fire Department. \$3600

ARTICLE 8. To see if the inhabitants of the town will vote to raise the sum of \$9189.33 to pay for Fire Trucks.

ARTICLE 9. To see if the inhabitants of the town will vote to raise a sum of money for the use of Hydrants. \$1800.

ARTICLE 10. To see if the inhabitants of the town will vote to install a Hydrant on the south side of the bridge, Shoddy Hollow, near the Picard home.

ARTICLE 11. To see if the inhabitants of the town will vote to install a Hydrant on Halifax Street, opposite Marcou Street.

ARTICLE 12. To see if the inhabitants of the town will vote to install a Hydrant on the Augusta Road a thousand feet south of the last Hydrant.

ARTICLE 13. To see if the inhabitants of the town will vote to install Hydrants near the Cushmans and Francis Poulin's home on the Cushman Road, also Philip Veilleux home.

ARTICLE 14. To see if the inhabitants of the town will vote to install a Hydrant on Cushman Road at such location as will provide adequate fire protection to our respective premises.

ARTICLE 15. To see if the inhabitants of the town will vote to raise a sum of money for Street Lights. \$3200.

ARTICLE 16. To see if the inhabitants of the town will vote to install a street light between the two lights, one that is in front of Mrs. Mose Vigue's house and the other near Father Frawley's house, on Halifax Street. Would like the light on the post where the transformer is.

ARTICLE 17. To see if the inhabitants of the town will vote to install a Street Light on the post opposite 32 Monument Street.

ARTICLE 18. To see if the inhabitants of the town will vote to raise a sum of money to maintain and repair Roads and Bridges. *\$10,000*

ARTICLE 19. To see if the inhabitants of the town will vote to raise a sum of money for Snow Removal. *\$6,000*

ARTICLE 20. To see if the inhabitants of the town will vote to raise the sum of \$586.00 for the Maintenance of Improved Sections of Third Class Roads.

ARTICLE 21. To see if the inhabitants of the town will vote to raise the sum of \$800.00 to gravel the worse places on the Pond Road from Elwin McCaslin's residence toward the China Road. *\$700*

ARTICLE 22. To see if the inhabitants of the town will vote to raise the sum of \$500.00 to repair Wyman Road. *\$400*

ARTICLE 23. To see if the inhabitants of the town will vote to raise a sum of money to cut the bushes along Pattee's Pond Road to make it safe driving; clean the drain pipes, and have gravel from the Main Highway to the first branch Lawney's house on the right side.

ARTICLE 24. To see if the inhabitants of the town will vote to raise a sum of \$300.00 to repair Ellis Road from Reynolds Hill Road to the bridge on said Ellis Road and to repair said bridge. *\$200*

ARTICLE 25. To see if the inhabitants of the town

will vote to raise a sum of \$1,000.00 to resurface the Nowell Road beginning at the China Road and extending in a northerly direction to the Abbott Road. \$700.

ARTICLE 26. To see if the inhabitants of the town will vote to raise a sum of money to build a street starting from Clinton Ave. opposite Garand Street, 265 feet.

ARTICLE 27. To see if the inhabitants of the town will designate Maple Ridge Road as a State Aid Road and raise the sum of \$2,199.00 for same.

ARTICLE 28. To see if the inhabitants of the town will vote to raise a sum of money to construct a sewer and road on LaSalle Street. The sewer and road are to extend from the corner of Halifax Street and LaSalle Street, to the property owned by St. John the Baptist Church.

ARTICLE 29. To see if the inhabitants of the town will vote to raise a sum of money for the maintenance of sewers. \$300.

ARTICLE 30. To see if the inhabitants of the town will vote to raise a sum of money to install a catchbasin northwest of Charles Cabana's driveway.

ARTICLE 31. To see if the inhabitants of the town will vote to raise a sum of money for Sidewalks.

ARTICLE 32. To see if the inhabitants of the town will vote to raise a sum of money to build a concrete Sidewalk beginning at the corner of Lithgow Street and Cushman Road on the right side running southerly direction, about 1,000 feet.

ARTICLE 33. To see if the inhabitants of the town will vote to raise the sum of \$300.00 to build a cement Sidewalk on Benton Avenue starting from where they left off up to Dr. Bourassa's corner.

ARTICLE 34. To see if the inhabitants of the town will vote to raise a sum of money to build a concrete Side-

walk starting at Ralph Simpson's residence to the sidewalk near Thomas Suttie's residence.

ARTICLE 35. To see if the inhabitants of the town will vote to raise a sum of money to build a cement Sidewalk on Clinton Avenue beginning at the corner of Charland Street, approximately 500 feet toward Marcoux Street.

ARTICLE 36. To see if the inhabitants of the town will vote to raise a sum of money to build a Sidewalk on the east side of Marcoux Street from Clinton Avenue, to Mitchell Morin approximately 550 feet. *51800*

ARTICLE 37. To see if the inhabitants of the town will vote to raise a sum of \$1100 for the services of a Town Nurse under the Enabling Act.

ARTICLE 38. To see if the inhabitants of the town will vote to raise a sum of money for the support of the Poor.

ARTICLE 39. To see if the inhabitants of the town will vote to raise a sum of money for the Support of the Schools.

ARTICLE 40. To see if the inhabitants of the town will vote to raise a sum of money for Supplies for Schools and the purchase of School Books.

ARTICLE 41. To see if the inhabitants of the town will vote to raise a sum of money for Fuel, Janitor services and Supplies for the High School.

ARTICLE 42. To see if the inhabitants of the town will vote to raise a sum of money for High School Instruction.

ARTICLE 43. To see if the inhabitants of the town will vote to hire a Physical Instructor and raise a sum of money for same.

ARTICLE 44. To see if the inhabitants of the town will vote to raise a sum of money for Insurance on School Houses.

ARTICLE 45. To see if the inhabitants of the town will vote to raise a sum of money for the salary of Superintendent of Schools for the ensuing year.

ARTICLE 46. To see if the inhabitants of the town will vote to raise a sum of money to repair School Houses.

ARTICLE 47. To see if the inhabitants of the town will vote to raise a sum of money for Industrial Training as specified in the Public Laws of 1911.

ARTICLE 48. To see if the inhabitants of the town will vote to raise a sum of money to support a Night School.

ARTICLE 49. To see if the inhabitants of the town will vote to raise a sum of money to convey the High School Students.

ARTICLE 50. To see if the inhabitants of the town will vote to buy a lot of land on Boston Avenue and raise money for same.

ARTICLE 51. To see if the inhabitants of the town will vote to dispose of the Fort School, Paine's Corner School, and the Baptist School.

ALFRED P. MARCOUX	1472-W

Learn the location of alarm box nearest your home or place of business.

To give alarm go to the box nearest the fire; break glass in front of box, turn key; open door; pull hook to bottom of slot and let go.

If you have no response from the small bell inside the box, go to the nearest box and repeat as before. Remain by the box until department arrives.

Never give an alarm for a fire seen at a distance.

Never pull the hook a second time without orders from the Chief Engineer.

Anyone tampering with alarm boxes in any way unless to give an alarm for fire, shall be punished according to law.

The firemen should be called immediately upon the discovery of a fire however small. The Chief would rather make an unnecessary run than to find a large fire caused by delay.

Winslow Fire Department

LOCATION OF BOXES

- 12—Corner of Cushman and Lithgow Streets
- 13—H. & W. Co. Private
- 14—Corner Proctor & Bowie's Store

PRESERVE THIS REPORT

A sufficient number of these reports has been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it.

BRING IT WITH YOU ON TOWN MEETING DAY
